

Rev. Dr. Luke Mootae Rhyee

Dr. Luke is a former pastor of the Columbia Korean UMC in the Columbia District. He now is serving with Healing Guatemala and is affiliated with The Mission Society. To learn more and to support Luke and his ministry please do so directly through the Mission Society via his website:

http://www.healingguatemala.org/page_XJew21

If your congregation already has an established connection with a Missionary please let one or the other of us know that as well.

We are beginning to try to put together a list of all the variety of national and international mission work that is being accomplished in the district. Please contact: Rev. Gary Phillips (gdphillips@umcsc.org) or Rev. Elizabeth Murray (eamurray@umcsc.org).
