

Ms. Sara Flores

Sara is a General Board of Global Ministries Missionary (GBGM) serving in Ecuador. See a fuller profile at <http://www.umcmmission.org/explore-our-work/missionaries-in-service/missionary-profiles/Flores-Sara>

The District has entered into a Mission Covenant with Sara through GBGM. Our commitment is to provide her with support totaling \$3,000 annually for at least three years. We invite your congregation to take on a share of the responsibility with us. This gives your congregation the opportunity to be a part of a covenant in support of an international missionary. This enables your church to be part of one at the finical level that works for your churches budget. So, your church can give \$5 or \$500 per year it's up to your church. In return we will make sure that you receive ongoing information about the work that Sara is involved in through the Evangelical Methodist Church of Ecuador. To become a part of this covenant relationship please contact Rev. Gary Phillips (gdphillips@umcsc.org) or Rev. Elizabeth Murray (eamurray@umcsc.org).

We hope to be sending a district mission team to work side by side with Sara in the 2019. This is intended to be an open district team for any and all persons interested.

If your congregation already has an established connection with a Missionary please let one or the other of us know that as well. We are beginning to try to put together a list of all the variety of national and international mission work that is being accomplished in the district. Please contact Rev. Gary Phillips (gdphillips@umcsc.org) or Rev. Elizabeth Murray (eamurray@umcsc.org).
